REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the features of claim 1, lines 4-13 including applying a layer of second material to cover the peaks fill in the valleys, to provide a surface of lesser roughness, bonding the second material, removing the second material until the second material and the first material comprising the peaks are concurrently exposed, and thereafter removing the first material and the second material at substantially equal rates cannot be found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William M. Brewster whose telephone number is 571-272-1854. The examiner can normally be reached on Full Time.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Matthew Smith can be reached on 571-272-1907. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
